Cookie Policy Information:

This cookie policy describes what cookies are and how they're being used by Harrison Ince Ltd.'s website and any of its related products and services. This policy is legally binding agreement between you ("user", "you" or "your") and this website operator ("operator", "we", "us" or "our"). If you are entering into this agreement on behalf of a business or other legal entity, you represent that you have the authority to bind such entity to this agreement, in which case the terms "user", "you", or "your" shall refer to such entity.

If you do not have such authority, or if you do not agree with the terms of this agreement, you must not accept this agreement and may not access and use the website and services. You should read this policy so you can understand the types of cookies we use, the information we collect using cookies and how that information is used. It also describes the choices available to you regarding accepting or declining the use of cookies. The cookie policy we created was with the help of the cookie policy generator.

What are cookies:

Cookies are small pieces of data stored in text files that are saved on your computer or other devices when websites are loaded into the browser. They are widely used to remember you and your preferences, either for a single visit (through a "session cookie") or for multiple repeat visits (using a "persistent cookie")

Session cookies are temporary cookies that are used during the course of your visit to the website, and they expire when you close the web browser.

Persistent cookies are used to remember your preferences within our website and remain on your desktop or mobile device even after you close your browser or restart your computer. They ensure a consistent and efficient experience for you while visiting our website and services.

Cookies maybe set by the website ("first-party cookies"), or by third parties, such as those who serve content or provide advertising or analytics services on the website ("third" party cookies"). These third parties can recognise you when you visit our website and also when you visit certain other websites.

What type of cookies do we use?

We do not use cookies to track your internet or website usage, to collect or store your personal information or for any other reason. However, please be advised that in some countries, data such as cookie ID's is considered to be personal information. To the extent we process such data that is considered personal information, we capture this information from what is inputted into our "contact us" page and we will process the data in accordance with our privacy and cookie policies.

Change and amendments:

We reserve the right to modify this policy or its terms related to our website and services at any time at our discretion. When we do, we will revise the updated date at the bottom of this page. We may also provide notice to you in other ways at our discretion, such as through the contact information you have provided.

An updated version of this policy will be effective immediately upon the posting of the revised policy unless otherwise specified. Your continued used of the website and services after the effective date of

the revised policy (or such other act specified at that time) will constitute your consent to those changes.

Acceptance of this policy:

Your acknowledgement that you have read this policy and agree to all its terms and conditions. By accessing and using the website and services you agree to be bound by this policy. If you do not agree to abide by the terms of this policy, you are not authorised to access or use the website services and must not enter any data into our contact us page.

Contacting us:

If you have any questions, or complaints regarding this policy or the use of cookies, we encourage you to contact us by using the details below:
